

Bruce H. Hanley
May 31, 1950 - March 6, 2005

Our friend and esteemed criminal defense attorney Bruce Hanley, passed away in March 2005 after a long battle with cancer. Bruce's contributions to the legal community were substantial, but it was the way Bruce lived his life that made him such a remarkable person. Bruce was a warm, engaging man, a joy to be around. His enthusiasm for his profession and life in general was contagious. Bruce was a fierce advocate, yet he was the epitome of integrity. He was a role model to many of us, and we are all better people for having known him.

Please join us to celebrate Bruce at the **13th Annual Hanley Memorial Golf Tournament & Dinner**. Once again, J.D. Hoyt's will sponsor the dinner. Proceeds from the event will be donated to the Bruce H. Hanley Criminal Justice Scholarship at Mitchell Hamline College of Law. This will be the last year that the Bruce Hanley Memorial Foundation will sponsor the tournament. Please be there to celebrate our 13 spectacular years.
